

WHAT THE BIBLE SAYS ABOUT HEALTHY LIVING

- ❑ Did you know that the Bible has hundreds of verses dealing with Health?
- ❑ Did you know that God's nutritional principles are entirely different from those of our culture?
- ❑ Would you like to learn God's perspective of Health?

Learn three Biblical principles that will revolutionize your diet, your health and your outlook on life.

Bud and Barbara Lee

www.bblee.org

Bud and Barbara give testimony of how God's lessons from the Word have

- helped them recover from a serious injury accident
- helped them enhance their health and busy lifestyle
- helped them succeed in managing their weight.

Similar Biblical principles were shared with Barbara's mother at the age of 79. She enjoyed good mental and physical health until she went to be with the Lord at age 96.
